. This is an application by the employer to relieve the employer from the statement made on their behalf and accepted by this Court and recorded in the order dated 25.11.2004. Considering what is set out in paragraph 2 of the order, clarification is not required as it is for the employer to decide in what manner he will employ security guards or not

employ them and the statement made will not bar them if they follow the law. Considering the above, no further directions are required.

. Motion disposed of accordingly.
